# Jessica Alba Dynasty League – 2026 Season Review – Part One

## 1. Introduction

So gents, we are about third of the way through the regular season already so I thought I'd take the time to update you on our progress and hand out some minor awards.

## 2. League Leaders

Alex (5-0) and Chris (5-0) are sitting pretty on top of the LFC and MFC, respectively. Alex leads the LFC by 2 games and Chris leads the MFC by 2 games. 👑

## 3. League Losers

It is Rich (1-4) who is presently at the bottom of the pile in the LFC, 18.92 points behind Gareth. In the MFC it is Jebus (0-5), 2 games behind Ross. 💩

## 4. Top Scorer

Alex is our highest points scorer with 795.30 points, with Mike behind on 791.48 points and Chris on 781.58 points. 🔥

## 5. Fewest Points

It's Jebus who has scored the fewest points with just 571.56. Next closest is Ross with 635.98 points. 💩

## 6. Potential Points

Since we decide the draft order based on potential points, I'll give a short lowdown on those outside the playoff places. It is Jebus, well Rich, who would be taking the highest available pick with 693.58, followed by Rich at 748.72. At the other end, Gareth would have the lowest pick with 817.64, with Ross next on 780.86.

## 7. Best Defence

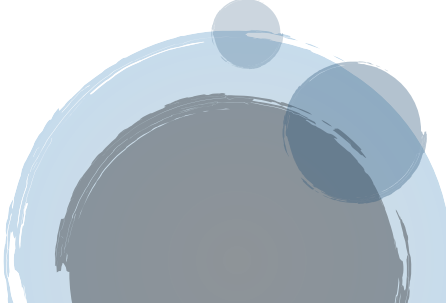

The best 'defence' has been Neil who has only conceded 602.90 points. The team who has conceded the most is Gareth as usual with 760.86 🥅

## 8. Least FAAB used

Neil has spent just $100!! 💵

Honourable mention to Rich who has only spent $100 too.

## 9. Most FAAB used

In his desperation to win the MFC, Chris has already spent $800 of his FAAB! Honourable mention to your noble Commissioner who has spent $708.

## 10. Best Manager

Our best manager so far has been Rich, winning the award twice. Chris and Rich are out in front statistically, picking up 86.0% of their potential points. Honourable mentions to Lee at 85.6% and Alex at 82.7%.

Our worst managers so far have been Gareth, Jebus, Lee, Neil and Ross, with the award once each. Dave has picked up just 79.9% of their potential points, with Mike next on 80.1% and Gareth third at 81.0%. 🤡🥶

## 11. MVP Picker

Alex is our 'MVP Picker' award winner with no fewer than 6 top scoring players. 🧠 Honourable mention to Dave and Jebus with 4. Rich has the fewest outstanding players, with just 1. 😟

## 12. Benchwarmer

Jebus is our 'Benchwarmer' award winner with just 0 top scoring benchwarmers. 🤠 This may be a reflection on how bad their bench is. Mike has left masses of points on the bench 8 times! Honourable mention to Alex with 5! 🤦🏻‍♂️

## 13. Conclusion

It's been a great start to the season with most teams in with a good shout of making the playoffs. There's still time to make moves to improve your fortunes or focus on the future.

Some questions remain: Will anyone be able to catch Alex and Chris? Will your noble Commissioner win another game? Can the MFC steal a 4th playoff spot from the LFC? Are we witnessing the dawn of Toolsy Prospects reign of terror, or even worse Chris winning anything in fantasy football?
