

Jessica Alba Dynasty League – 2023 Season Review – Part One

1. Introduction

So gents, we are about third of the way through the regular season already so I thought I'd take the time to update you on our progress and hand out some minor awards.

2. Week 5

What a week 5 was with another record score and some surprises to heat up the competition!

Once again Ross saved it for a MFC behemoth to put it a record score but this time, despite Lee putting up over 160 points, he is victorious. In the other all MFC clash, Chris' team finally turned up just when your Noble Commissioner's team didn't in the shock win of the week. With Neil securing victory over Gareth, it now leaves the MFC at 3-2 across the board. It's still a conference of two halves with the bottom two cast adrift in points scored.

In the LFC, there was no surprises in Mike putting 80 points on Alex but perhaps it was a bit of a shock how much Rich beat Dave by – I did say it would take a bit out of his side beating mine.

3. League Leaders

As you all know, Mike is sitting pretty on top of the LFC. Lee tops the MFC with all the rest of the conference hot on his heels. 🏆

4. League Losers

Annoyingly for Gareth, it is Alex who is presently at the bottom of the pile in the LFC with both on a 5-game beaten run. In the MFC it is Neil who is at the base of the MFC despite picking up three wins!

5. Top Scorer

Lee is also our highest points scorer with 843.20 points with Ross behind on 781.96 points. 🔥

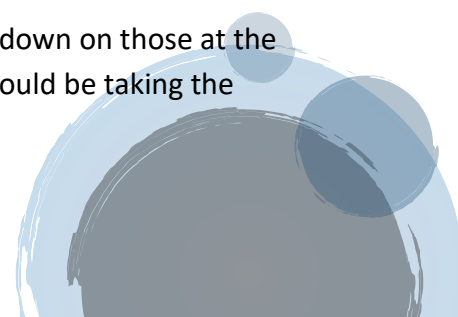

6. Fewest Points

It's Alex who has scored the fewest points with just 405.82 (the lowest ever at this point in a season).

7. Potential Points

Since we decide the draft order based on potential points, I'll give a short lowdown on those at the bottom of the conferences. While Alex is the lowest scorer it is Gareth who would be taking the

highest available pick with 537.18 (another record low), followed by Alex at 571.72. In the MFC and Neil would have the lowest pick with 731.58 and Chris next up with 724.50.

8. Best Defence

The best 'defence' has been Mike who has only conceded 542.54 points. The team who has conceded the most is your Noble Commissioner with 729.56 🏠

9. Least FAAB used

Neil has spent just \$1 of FAAB! 💰

Honourable mention to Lee who has only spent \$61.

10. Most FAAB used

In his desperation for trying to maintain his playoff record, Ross has already spent \$690 of his FAAB! Honourable mention to Chris who has also spent \$632.

11. Best Manager

Our best manager is shared between your Noble Commissioner and Lee with two awards each. However, it is Lee who is out in front picking up 83.6% of his potential points. Honourable mentions to Ross at 83.5% and Rich at 83.4%. Alex is out ahead as our worst manager with three awards and in percentage terms with just 71.0% of his projected points – a new record low! Mike is in second with 76.2% and Dave third at 76.8%. 🤖 🤖

12. MVP Picker

Rich is our 'MVP Picker' award winner with no fewer than 6 top scoring players. 🧠 Honourable mentions to Ross and Dave with 5. Gareth appears to have few outstanding players. He's had no top scoring player. 🤔

13. Benchwarmer

Chris is our 'Benchwarmer' Award winner with no top scoring benchwarmers. 🦍 This may be a reflection on how bad his bench is. Your Noble Commissioner has left masses of points on his bench 6 times! Honourable mentions to Lee and Mike with 5! 🧑

14. Week 6

Once again it's an LFC vs MFC week! As always there's a couple of games where victory looks assured for the MFC with Ross taking on Alex and your Noble Commissioner taking on Gareth. Gareth has never beaten me so that would be a gargantuan shock if he managed a victory this week.

The other three look to be closer affairs, our league leader Mike (4-1) plays a resurgent Chris who has a 3-1 record over Mike; Neil plays Rich who'll be hoping to keep those playoff dreams alive over the LFC's 3rd place team; and, last but not least, it's time for Dave to rally those troops again as he plays the other MFC behemoth in Lee and his letterwang boyscouts, minus their main man Justin Jefferson. Can Dave pull off another victory over the MFC?

15. Conclusion

It's been a great start to the season with a few teams in with a good shout of making the playoffs. There's still time to make moves to improve your fortunes or focus on the future.

Some questions remain: Will anyone be able to catch Mike? Will Gareth win another game? Can the MFC steal a 4th playoff spot from the LFC? Will Chris miss the playoffs on points scored again? With Caleb, Drake and Marvin likely available in the '24 draft is winning all that important?
