

Jessica Alba Dynasty League – 2021 Season Review – Part One

1. Introduction

So gents, we are about third of the way through the regular season so I thought I'd take the time to update you on our progress and hand out some minor awards.

2. League Leader

As you all know, your noble Commissioner is unbeaten and is sitting pretty on top of the league. 🏆

3. League Loser

Lee has managed to lift himself up of the bottom, so it is Gareth who is presently at the bottom of the pile. 🐸

4. Top Scorer

Going hand in glove of the league lead, your noble Commissioner is also our highest points scorer with 828.24 points. 🔥

5. Fewest Points

Although Gareth is at the bottom of the league, he's come up against some high scores,, it's Dudders who has scored the fewest points 551.42 🐸

6. Potential Points

Since we now will be deciding the draft order based on potential points, I'll give a short lowdown on those at the bottom. Chris would be taking the highest available pick with 695.16, closely followed by Gareth at 698.94. Conversely, Lee would have the lowest pick with 859.98 and Dudders next up with 787.24.

7. Best Defence

The best 'defence' has been the Commissioner who has only conceded 558.52. The team who has conceded the most is Gareth with 738.5 🖥️ Honourable mention to Ross who's faced 730.44 points

8. Least FAAB used

Lee has most of his FAAB left, having spent a mere \$105 in the season and auction. 🏠

9. Most FAAB used

In his desperation for a victory, Jebus has spent the most with just \$387 left. Honourable mentions to Chris, Gareth and Mike who have also spent over half of theirs. This has been done before Bye Weeks!

10. Best Manager

Neil and Dudders are battling it out to be our best manager, both picking up the award twice. Lee is out ahead as our worst manager with two awards 🤡🤡

11. MVP Picker

The Commissioner is our 'MVP Picker' award winner with no fewer than 6 top scoring players. 🧠 Honourable mentions to Lee with 5 and, Neil and Ross who have 4. Dave, Gareth and Mike appear to have few outstanding players. They've only had one top scoring player each. 😞

12. Benchwarmer

Dudders, Gareth, Mike and Neil share our 'Benchwarmer' Award winner. They have had just 1 player be the top scoring benchwarmer. 🙈 This may be a reflection on how bad their benches are. Chris has left masses of points on his bench 9 times; 4 times more than the next closest (Lee with 5)! 🧑

13. Conclusion

It's been a good start to the season with most people in with a good shout of making the playoffs. There's still time to make moves to improve your fortunes or focus on the future. Troublingly, Ross has actually started this year better than he did last year.

Some questions remain: Will anyone be able to catch the Commissioner? Will Gareth win another game (in either league)? Can the fluky swine [Ross] do it again!? Will Gareth try to trade his way out of trouble? What will be the name of this year's 'Trevor Trophy'?
