

Jessica Alba Dynasty League – 2022 Season Review – Part One

1. Introduction

So gents, we are about third of the way through the regular season already so I thought I'd take the time to update you on our progress and hand out some minor awards.

2. League Leaders

As you all know, Mike is unbeaten and is sitting pretty on top of the LFC. Your Noble Commissioner tops the MFC with Lee hot on his heels. 🏆

3. League Losers

Annoyingly for Alex, it is Gareth who is presently at the bottom of the pile in the LFC and on a 5-game beaten run. In the MFC it is Neil who is at the base of the MFC having picked up just one win thus far.

4. Top Scorer

It's pretty close but it is Ross who is also our highest points scorer with 769.28 points with Mike just behind on 741.68 points. 🔥

5. Fewest Points

Although Gareth has yet to pick up a win, he's come up against some very high scores, so it's Alex who has scored the fewest points with just 466.36 (the lowest ever at this point in a season). 🤖

6. Potential Points

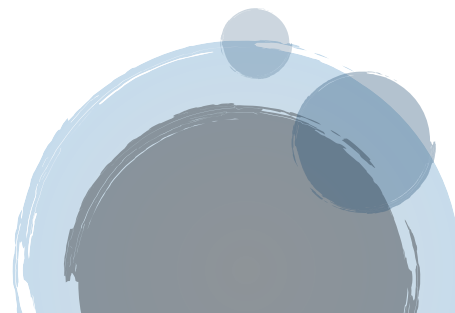

Since we decide the draft order based on potential points, I'll give a short lowdown on those at the bottom of the conferences. The LFC and Alex would be taking the highest available pick with 614.16 (another record low), followed by Gareth at 706.00. Conversely, it would be the MFC and Chris would have the lowest pick with 795.92 and Neil next up with 726.52.

7. Best Defence

The best 'defence' has been Dave who has only conceded 546.30 points. The team who has conceded the most is Gareth with a staggering 819.22, almost 50 points more than our top scorer 🏠

8. Least FAAB used

Dudders and Neil have all of their FAAB left! 💰

9. Most FAAB used

In his desperation for a victory, Chris has already spent all of his FAAB! Honourable mentions to Alex and Dave who have also spent over half of theirs. This has been done before Bye Weeks!

10. Best Manager

Our best manager is evenly spread with five GMs picking up the award. However, it is Lee who is out in front picking up 86.6% of his potential points. Honourable mentions to Jebus at 86.4% and Ross at 86.3%. Gareth is out ahead as our worst manager with two awards but is not worst in percentage terms where Alex is ahead with just 75.9% of his record low projected points. Gareth is in second with 78% and Chris at 79.2%. 🧐🧐

11. MVP Picker

Ross is our 'MVP Picker' award winner with no fewer than 7 top scoring players. 🧠 Honourable mentions to Chris and your Commish with 5. Gareth appears to have few outstanding players. He's had no top scoring player. 🧐

12. Benchwarmer

Alex and I share our 'Benchwarmer' Award winner. They have had just 1 player be the top scoring benchwarmer. 🧐 This may be a reflection on how bad our benches are. Neil has left masses of points on his bench 6 times! Honourable mention to Mike with 5! 🧐

13. Conclusion

It's been a good start to the season with a few teams in with a good shout of making the playoffs. There's still time to make moves to improve your fortunes or focus on the future.

Some questions remain: Will anyone be able to catch Mike? Will Gareth win another game? Can the MFC steal a 4th playoff spot from the LFC? Will Dudders try to trade his way into the playoffs? What will be the name of this year's 'Trevor Trophy'?
